'Owler Tor' by Lewis Noble

# Kristan Baggaley and Lewis Noble VIEWPOINTS

You are warmly invited to our exhibition of exciting new paintings and drawings produced by Kristan Baggaley and Lewis Noble.

The work has been specially produced for gallerytop throughout 2010. The aim was to compare and contrast the work of the two most outstanding regional painters, working from the same subject - the Derbyshire landscape. The 'Viewpoints' exhibition is the result of that project.
