

## Invitation to a champagne reception

You are warmly invited to join us for the opening of our 'Breath of Life' exhibition on Saturday 9 October between 11am and 8pm when the 15 prints will be available. There will be a special champagne reception between 4pm and 8pm and we hope you will be able to be here to celebrate this special exhibition.

In 2011 the British Heart Foundation (BHF) will be celebrating its 50th birthday and the incredible life-saving achievements it has made since 1961. In celebration, the BHF will be launching a major programme of regenerative medicine which we call 'Mending Broken Hearts'. Our scientists believe that with adequate funding, cardiac research will reach a point, in as little as 10 years time, where mending a damaged heart, whilst serious may be no more challenging than mending a broken leg.

In order to raise funds for the appeal, BHF Trustee, Lance Trevelyan and his colleagues at CCA Galleries have approached some of the foremost contemporary artists in the UK asking them to produce original artworks based on the theme of 'Mending Broken Hearts'

The MBH Art Appeal has produced a portfolio of original silkscreen prints in an edition size of 150. The portfolio will contain 15 prints and is called 'Breath of Life'.

The fifteen artists are: Sir Peter Blake, Anthony Micallef, Barbera Rae, Brad Faine, Bendan Neiland, Bruce McLean, Donald Hamilton Fraser, Duggie Fields, Gerard Hemsworth, John Hoyland, Maggi Hambling, Maurice Cockrill, Patrick Hughes, Storm Thorgerson and Tom Phillips.

The prices of the prints range from £500 to £1500 and a Breath of Life Boxed Portfolio Set is £10,000. The 'Own Art' scheme is an opportunity to spread the cost of your investment interest free over 10 months
